CUSTOMER UPDATE ~ 12 / 07 / 2020

DUE TO ONGOING GOVERNMENT 2M SOCIAL DISTANCING RULES & IN ORDER TO KEEP OUR STAFF & CUSTOMERS AS SAFE AS POSSIBLE THE FOLLOWING WILL CONTINUE TO APPLY .

- 1** - A strict limit of **2** customers in the shop at any one time with only 1 customer at the counter .
- 2** - In fairness to other customers & in order to speed up queuing times we would ask at the moment that customers please don't visit in groups . This will allow us to let 2 separate customers into the shop at once .
IE ~ 1 CUSTOMER PER HOUSEHOLD OR FIRM
PLEASE NOTE THAT THIS IS IN LINE WITH ALL OTHER TRADE PAINT STORES
- 3** - If you already know what you need please use the call **OR** click & collect services so that you can minimise time spent in the shop & remove the need to queue outside .
- 4** - Whilst we normally welcome instore browsing in fairness to other queuing customers we would ask you to plan ahead so as to keep instore browsing to a minimum . If you need extended help with selecting paint colours we can provide you with colour cards to look at outside . As soon as you have decided on your colours let us know so we can take payment & mix for you .
You will not have to queue again
- 5** - No customers will be allowed in the paint mixing area .

PLEASE NOTE WE ARE TRYING OUR BEST TO SERVE ALL CUSTOMERS AS QUICKLY & THOROUGHLY AS POSSIBLE . PLEASE BE PATIENT WITH US AS YOU WAIT TO BE SERVED . HOPEFULLY THINGS WILL BE BACK TO NORMAL SOON .
